

Indian Institute of Information Technology Sri City, Chittoor				
Spring_2026 MID Semester Exam Schedule UG 1/2/3/4 Nov 20th Feb to 26th Feb 2026				
Date	9.30 AM to 11.00 AM	11:30AM to 1:00 PM	2.30 PM to 4.00 PM	4.30 PM to 6.00PM
20 February 2026 Friday	Data Mining Graph Theory and applications Multimedia Systems Advanced VLSI (UG3 & 4)	Analog circuits Artificial Intelligence & Knowledge Representation	Probability and Statistics	Computational Biology COMPRESSED DOMAIN PROCESSING System on Chips
21 February 2026 Saturday	AI and Ethics and Responsible AI Cognitive computing Distributed Computing Opto and Nano Electronics	Advanced Communication Skills	Ubiquitous computing Digital Image Processing Wireless Net works Ethics in Every Day life AI and Visual Culture	
23 February 2026 Monday	Probabilistic Graphical Models Financial Data Analysis Linear programming and Game Theory Mathematical Optimization Techniques Hardware Description language	Artificial Intelligence Electromagnetics and Transmission Lines Deep Learning (UG2)	Signals and Systems	
24 February 2026 Tuesday	Brain Computer Interaction Geospatial Technologies and applications Mathematics for Machine learning Speech Processing Internet of Things Intelligent Autonomous Systems	Computer and Communication Networks	Computer Architecture Basic Electronics and Circuit	Data Security
25 February 2026 Wednesday	Introduction Data Handling & Visualization Power Eletronics	Theory of Computation Fundamentals of Communication Introduction to Data Analysis	Operational Comunication	DeepLearning (UG3)
26 February 2026 Thursday	Micro Sensors and Actuators Advanced data Analytics Reinforcement Learning	Logical and Reasoning	Data Structures and Algorithms	Internet Security
