

Indian Institute of Information Technology Sri City, Chittoor			
Spring_2026 END Semester Exam Schedule UG 1/2/3/4 21st April to 2nd May 2026			
Date	9.30 AM to 12.30 PM		2.30 PM to 5.30 PM
21/04/2026 Tuesday	Probability and Statistics		Advanced Communication Skills*
22/04/2026 Wednesday	Operational Communication*		Internet Security Power Eletronics
23/04/2026 Thursday	Computer and Communication Networks		Data Mining Graph Theory and applications Multimedia Systems
24/04/2026 Fri day	Signals and Systems		Career Objective and Job Readiness*
25/04/2026 Saturday	Fundamentals of Communication Artificial Intelligence & Knowledge Representation Startup-101(UG4) * Ethics in Every Day life * AI and Visual Culture*		Probabilistic Graphical Models Financial Data Analysis Linear programming and Game Theory Mathematical Optimization Techniques Hardware Description language
26 Sun			
27/04/2026 Monday	Computer Architecture Basic Electronics and Circuit		Data Security Ubiquitous computing Digital Image Processing Wireless Net works
28/04/2026 Tuesday	Artificial Intelligence Electromagnetics and Transmission Lines Deep Learning (UG2)		Computational Biology COMPRESSED DOMAIN PROCESSING System on Chips DeepLearning (UG3) Advanced VLSI (UG3 & 4)
29/04/2026 Wednesday	Data Structures and Algorithms		AI and Ethics and Responsible AI Cognitive computing Distributed Computing Opto and Nano Electronics
30/04/2026 Thursday	Theory of Computation Analog circuits Introduction to Data Analysis		Advanced data Analytics Reinforcement Learning
01/05/2026 Friday			Brain Computer Interaction Geospatial Technologies and applications Mathematics for Machine learning Speech Processing Internet of Things Intelligent Autonomous Systems
02/05/2026 Saturday	Logical Reasoning*		Introduction Data Handling & Visualization Micro Sensors and Actuators
Lab Exams			
4 Mon	WBD lab Exams SS Lab		FFSD LAB AC Lab
5 Tue	DSA Lab		FcommLab DL Lab
6 Wed	CA/BEC Lab		IDA LAB

*SEED Courses Exam Duration is 90 minutes not 3 hours.
