Max. Marks: 25

Instructions:

Roll No: [REDACTED]

- All questions are compulsory.
- Answer them section wise only in the answer booklet, neatly and legibly.
- Attach the question paper to the answer sheet.

Section-A (13 Marks)

1.	Using the structure taught in the classroom, write a paragraph introducing yourself.	[3 Marks]
2.	You are in a job interview. List any three elements of conversational etiquette you will follow and explain why.	[3 Marks]
3.	Explain why greetings are important for engineers working in global and multicultural environments. Give any two real-life examples.	[4 Marks]
4.	List the IPA symbols of pure vowels and vowel glides and illustrate them with examples.	[3 Marks]

Section-B (12 Marks)

5.	Do you need to unlearn and relearn some language concepts in your operational communication? Justify mentioning any three significant common mistakes made by Indian English users and their causes.	[3 Marks]
6.	Are the sounds of the letters 'V' and 'W' distinct or interchangeable in their pronunciation? Explain phonetically referring to the examples of your real time communication.	[3 Marks]
7.	Spot the error in spoken language, if any, and correct it giving the rationale: a. According to me, the movie we watched yesterday was interesting. b. Students in higher education must cope up with stress	[1.5 x 2 = 3 Marks]
8.	Rewrite the following sentences correcting the common mistakes made in written language, justifying them without rephrasing or paraphrasing the whole text: a. I am motivated, hard worker, and professional. b. Its good that the company changed the design of it's website. c. I have been preparing for my exams since one week.	[1 x3 = 3 Marks]
